BIO

Gyovana is a Brazilian DJane from state of Rio Grande do Sul who had contact with trance music at a young age. She was 15, in 2015, when she learned to mix her favorite tracks. As time went by, she acquired more skills, winning a loyal audience with her impeccable performances, always bringing a varied repertoire of artists that she admires and identifies with.

Offering to listeners a transition between Full On Groove and Night in her sets, she has the goal to make everyone dance with body, mind and soul. Abstract Machine will make you surrender to the power of psychedelic trance
